Sr.DPO/MDU

Sub: Inclusion of CPM/GS/MDU and Dy.CE/CN/MDU as PIOs in RTI-MIS Portal – reg.

It is brought to your kind notice that Nodal Office for RTI is forwarding all the RTI applications pertaining to Engineering Branch to Sr. DEN/Co-ordn/MDU through the RTI-MIS Portal (for online applications) as well as through e-Office (for offline applications). During the scrutiny of these applications, it has been observed that queries falling under the jurisdiction of Gati Shakti and Construction Units are also being marked to Sr.DEN/Co-ordn/MDU for furnishing replies. Such RTI applications are subsequently being forwarded by this office to the GS and CN Units under a covering letter, with a copy to the applicants. Instead, the Nodal RTI Office may directly forward such RTI applications to the GS and CN Units for timely disposal.

Since RTI matters are time-bound and the number of RTI cases pending for reply is increasing, it is necessary **to include CPM/GS/MDU and Dy.CE/CN/MDU as Public Information Officers (PIOs) in the RTI-MIS Portal** to facilitate the prompt and timely disposal of RTI applications. Hence, necessary action may be taken to include them as PIOs in the RTI-MIS Portal.

(M. KARTHIK)
Sr.Divisional Engineer/Co-ordn
Southern Railway/Madurai
(De-facto PIO)
