Respected My Aakash Vidwan Ji,

In this way to assist in connecting existing institutions from across India through the use of technology, for youth development and youth job development has been established under the Department of Youth Affairs.

MY Aakash was launched by Hon'ble Prime Minister of India during the celebrating event of Azadi Ka Amrit Mahotsav in Varanasi, New India, on National Unity Day, i.e., 31.08.2022. A digital platform for MY Aakash (mya.gov.in) (www.aakash.gov.in/) was also launched by the Hon'ble Prime Minister. This digital platform program to connect youth with volunteering programs in different sectors. This would enable youth to engage with the community to participate in educational, health and other socially beneficial work.

The issue of departmental initiatives for volunteering that could be done up under the MY Aakash digital platform, was discussed in a meeting chaired by Hon'ble Minister for Education, Shri Dharmendra Pradhan ji, with other Ministers and senior officers from various Ministries on 09 December 2022. A presentation was made during the meeting, and it was found feasible. It was discussed in the meeting that more Departments have similar work in running programs that not require volunteers. Such programs could allow youth to participate in volunteer for social causes and can help improve the abilities of youth at the same time. Hence, you are requested to kindly suggest your Department in:

- 1) Which programs or major youth activities beneficial to the community relevant to your sector;
- 2) Develop outreach strategies to disseminate information about the potential of the MY Aakash platform among stakeholders in the various sectors of youth and within the services of the platform;
- 3) Develop promotional material for volunteers and Department officials by providing with program.

Code: P13

For running such Departmental volunteering program, the following would be made available to each Department on the IT (Kant) (Kant) platform:

- (i) A dedicated web page for each department for volunteering.
- (ii) The web page would list activities that could be taken up by volunteers.
- (iii) Page to have downloadable calendar or diary up by Ministry concerned.
- (iv) Facility to promote events or different activities would be available.
- (v) Facility to upload photos and audio or video page would be available.

You are requested to kindly give your valuable inputs on the above, at the earliest. You are also requested to circulate a Note/Order for the all Chief Officers from your Departments and instructs for same to the further reach. The Policy Design, Order Issuance, IT Kant can be contacted at mail - policy.design@nic.in ; mobile - 9820006885.

Yonkers Public Joint Learning Program

- 1. **Program Description:** This program is designed to provide a comprehensive and integrated learning experience for students in the Yonkers Public Schools. The program will focus on the development of critical thinking, problem-solving, and communication skills. It will be implemented through a series of workshops, seminars, and hands-on activities. The program will be available to all students in the district, with a particular emphasis on providing opportunities for students who are at risk of academic failure.
- 2. **Program Objectives:** The program will have the following objectives:
 - To improve students' academic performance, particularly in reading and mathematics.
 - To develop students' critical thinking and problem-solving skills.
 - To enhance students' communication and collaboration skills.
 - To increase students' motivation and engagement in learning.
 - To provide students with a positive and supportive learning environment.
- 3. **Program Evaluation:** The program will be evaluated using a variety of methods, including pre and post tests, student surveys, and teacher observations. The evaluation will focus on measuring the program's impact on students' academic performance, as well as their attitudes and behaviors. The results of the evaluation will be used to inform program improvements and to determine the program's overall effectiveness.
